

Mr. Hofmeyer,

Thank you for all of the time and guidance that you have shared with me over the years, regardless of the matters' magnitude,

I have learned a lot about business through your feedback, and consider you to be one of my largest assets in my endeavors.

Although it is never expected, I also have greatly appreciated your time spent with me after hours over weekends, and how quickly you always respond.

It means the world to me to have you as someone I can go to, and trust so much.

I recognize that you have never hesitated to help, regardless of how silly or serious of circumstances that I've presented.

Thank you - Kaleb
